## Corinth membership to the UNESCO Global Network of Learning Cities (GNLC)

Dear Mayor,

It is my great pleasure to welcome Corinth to the UNESCO Global Network of Learning Cities (GNLC).

With this membership, your city is joining a global network whose aim is to support and accelerate the practice of lifelong learning. Through its activities, the GNLC promotes policy dialogue, peer learning and collaboration among member cities. It also contributes to capacity-building and to forging new tools for developing, implementing and monitoring learning cities strategies.

The UNESCO GNLC also aims at contributing towards achieving the United Nations Sustainable Development Goals (SDGs), particularly SDG 4 ('Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all') and SDG 11 ('Make cities and human settlements inclusive, safe, resilient and sustainable').

On 23 September 2020, we will publicly announce the new GNLC members. We are inviting your city to join in and publicly celebrate your membership on Wednesday, 23 September.

To assist you in this endeavour, a *communications package*, which includes suggested wording for press releases, the GNLC logo (to be used on all of your communication materials), as well as design templates, has been attached. Please do not hesitate to contact the UIL Institute for Lifelong Learning's Communications Specialist, Katja Römer, at [k.roemer@unesco.org](mailto:k.roemer@unesco.org), with any questions you might have regarding public relations.

For further information on the activities of the GNLC, please contact the Coordination Team of the UNESCO GNLC at the UNESCO Institute for Lifelong Learning: [learningcities@unesco.org](mailto:learningcities@unesco.org).

I look forward to our future cooperation.

Yours sincerely,

David Atchoarena
